Perquest Names Mark Curtis Executive Vice President and Chief Operating Officer

Industry Veteran Well Versed in Operations and Service Management

March 1, 2007 — Mark Curtis has been named executive vice president and chief operating officer of Perquest, which provides online payroll and employer services to small and medium size businesses in the United States.

Curtis has 26 years of experience in operations and service management supporting the semiconductor and payroll industries. He most recently was vice president of operations at ProBusiness Inc., where he worked for 12 years with responsibilities that included overseeing the payroll calculation data center, the financial transmission center, production center and client set-up center.

Previously Curtis spent 14 years at semiconductor capital equipment manufacturers Ultratech Stepper Inc. and GCA Corporation, where he managed the Field and Customer Service organizations.

Curtis earned a bachelor of arts degree in management from St. Mary's College in Moraga and holds a computer electronics degree from Sylvania Technical School. He is a member of the Association of Field Service Managers (AFSM) and is a Certified Payroll Professional (CPP).
